The Iris & B. Gerald Cantor Center for Visual Arts at Stanford University

Summer Exhibition on "The Changing Garden: Four Centuries of European American Art"

## Outdoor Dance Performance

This one hour long dance celebrates the fusion of dance and art. The movements are inspired by the serpentine character of the sculpture. Nature prevails in *Along the River*, [and the interaction between light, movement and patterns creates a magic journey for the audience. The project includes dancers from DanceVisions, the Dance-Is-It Group and dancers from the Santa Cruz Area and live music by composer Herb Moore.

PERFORMERS: Helena Birecki, KARIN CABELLO-MORIARTY, Steve Engle, Dawn Gillis, Katja Irvin, Rodney Johnson, Laura Jones, Elgin Lee, Jancy Limpert, Claire McGibeny, Janet Negly, Lalu Simcik and Sue Stuart.
